

Our Services

By definition venue hire is the hiring of the venue for a duration time. Our definition is; we assist you with the exclusive use of Harvester Moon. Our property + grounds for your ceremony + reception (outdoor + indoor).

You will have access to the property the day before your special day to set up the reception areas. Our team will work with you in creating the perfect style. Our team will be at the venue to answer any last minute questions.

Our team will liaise with all vendors in the lead up to your day. We will work out the requirements for food vendors and navigate their access to the property.

Our team will assist with the running of the ceremony, especially the all important bridal entrance.

Our Venue

Harvester Moon is a gorgeous, farmhouse style venue situated on a rural property. Whether your style is bohemian, rustic, or even sophisticated and traditional, Harvester Moon will suit you.

Harvester Moon accommodates around 100 guests. We provide full use of the facilities. Facilities include; commercial kitchen (pizza oven), sound equipment, and a range of furniture.

Why not take the stress out of getting ready! Bring your team to Harvester Moon. With a yummy breakfast box on arrival, charcuterie board for lunch, did we mention sparkling wine!!!! You can add this to your venue hire for **\$1000.**

12^{pm}

If you love the sound of getting ready at Harvester but don't want the long morning, you can come into the venue at lunchtime and relax before the big celebrations. With a charcuterie board on arrival and some sparkling wine!!!! You can add this to your venue hire for **\$500.**

Perfect place for small events and intimate gatherings. Has a nice view of the orchard too and just has a very nice ambiance, especially with good weather. I'm sure this place would be fully booked during warmer seasons. Definitely recommended.

Beautiful relaxed venue- came in as an external vendor and was very well supported. Highly recommend.
