

HARVESTER MOON

WEDDING PRICES AND PACKAGES

2025/26

Harvester Moon is a rustic farmhouse venue surrounded by stunning gardens and magnificent countryside views. We are situated on a rural property on the Bellarine Peninsula, 30 minutes from Geelong CBD. Harvester Moon prides itself on allowing the exclusive use of the venue and facilities on the day of your wedding and access the day prior to add your own personal touches. Our dedicated Harvester Moon coordinator will not only be there with you for the entire duration of your wedding day, but she will also be there by your side throughout pre-planning and rehearsals.

At Harvester Moon, we offer cocktail style receptions for up to approx 100 guests. We want you to have the comfort of choice and affordability, so if our Harvester Moon canape package on offer is not the style you were after you can bring in your chosen caterer or mobile food truck vendor/s in which our wedding coordinator will liaise with prior and on the day to ensure everything runs smoothly on your big day.

Harvester Moon is surrounded by local neighbours. Please be respectful. Our Bar will serve last drinks at 11pm, and all guests must leave the venue by 11:30pm.
